## Students' Feedback Analysis Report

Academic Year: 2021-22

Total Questions = 54

Every year, the College collects feedback from students to measure the impact of all the efforts taken by the institution and to improve quality in all aspects. The College maintains an Institution Level Feedback Report. Feedback on curriculum and infrastructure is collected in a specific format from students. The results are formulated by statistically quantifying the received feedback forms. Data collected is consolidated and a report is prepared. Data entered in the feedback forms is analysed and suggestions/feedback given by the students is given due attention. Analysis of Feedback is collected on specific Performa (Courses, Syllabi, Subject Evaluation and Teacher, Infrastructure and Administration) from Students.
