A skill awareness programme was held at Gogaimukh College Auditorium under Assam Skill Development Mission Programme on 08-02-2024. The programme ~~was~~ began at 11:30 a.m. where about 100 students of the college attended.

Mir Shakeel Rahman, Project Manager, State, delivered lecture on skill awareness and development. He tried to sensitise the students about skill development and its need. He said that in India, there are 140 crores people. But there is no one crore government employees. It means that govt. cannot provide employment to all. The fact is that the people, particularly, the youths have to find out their own livelihood.
